FALL 2026

USA PRODUCT CATALOG

DURABLE. AFFORDABLE. WORKWEAR.

ABOUT US

THE BERNE PROMISE

Berne Apparel has been in business for over 100 years, and since day one we have been committed to providing hard-working Americans with workwear that is made right, made to work, and made affordable.

SINCE 1915

Established in Berne, Indiana in 1915, Berne Apparel began by manufacturing overalls for local farmers. As the company grew, it expanded to include a wider range of workwear, cold-weather outerwear and basics for Men, Women, Youth, Hi Vis and FR. Today, Berne Apparel remains committed to its founding principles of quality, durability, and affordability, and continues to innovate and refine its product offerings to meet the changing needs of customers.

SIZE GUIDE 138

INDEX 140

BERNE WARMTH RATINGS

Berne's Warmth Ratings make it easy for shoppers to choose the right gear for the conditions they face. Our system has four levels:

WARM

Lighter warmth in cool weather.

WARMER

Reliable comfort in cold weather.

WARMEST

Heavy insulation in severe cold.

EXTREME WARMTH

Maximum protection in brutal winter conditions.

Ratings can be relative within garment categories, and because comfort depends on factors like wind, sun, humidity, and activity level, we don't tie our ratings to specific temperatures. Instead, use them as a guide to help customers pick the gear that's right for them.

OUR MISSION

Crafting Value, Improving Lives

Here at Berne, we craft durable, affordable workwear that not only performs, but uplifts those who wear it.

WHAT DRIVES US

At Berne, we believe in the **power of hard work.** It's the **backbone of communities,** the foundation of progress, and the source of personal pride. Our mission is simple but profound: to craft **durable, affordable workwear** that not only performs, but uplifts those who wear it.

ACHIEVING OUR GOALS

How do we achieve this? We strive to **truly understand the unique needs** of the individuals who put in the sweat and effort every day. Then, we take that knowledge and translate it into workwear that is not only durable and high-quality but also affordable and made with **unwavering integrity and care.**

WHY IT MATTERS

When you choose Berne, you're not just buying workwear; you're joining a movement that **values the hard-working individual.** We're proud to be a part of your journey, and we're committed to **exceeding your expectations** every step of the way.

Just because the rain starts doesn't mean the work stops. That's why the Berne Weather Warrior™ Collection (previously known as Coastline™) is crafted with breathable fabric and waterproof construction.
So you can stay dry and comfortable – whatever the forecast.

INTRODUCING THE JOBSITE 3-IN-1 SYSTEM JACKET

Five Ways to Wear

Layer up for all-weather protection, or zip apart to wear solo on milder days.

Outer Shell with Zip-Off Hood + **Zip-In Liner** = **Jobsite 3-in-1 Jacket**

HJ222

Warmest

Jobsite 3-in-1 System Jacket

Outer Shell

Shell: 3.4 oz. 100% polyester ripstop
Lining: Medium-weight insulation quilted to polyester taffeta

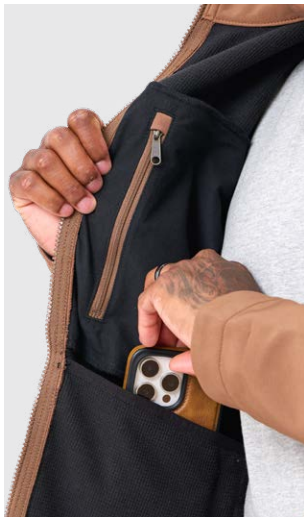

- Waterproof, breathable fabric keeps you warm and dry all day
- Ripstop fabric with mechanical stretch provides ease of movement on tough jobs
- Adjustable cuffs, three waterproof front pockets, and signature interior storage pockets keep items safe and secure
- Removable hood offers versatility

Waterproof

Zip-Off Hood

Ripstop Fabric

Zip-In Liner

Fabric: 9.14 oz 92% polyester 8% spandex softshell with grid fleece interior

- Water-repellent fabric with a soft grid-fleece lining blocks cold, damp weather
- Two exterior pockets, a hidden interior chest pocket, and two interior slip pockets offer ample storage
- Can be worn alone or zipped into Outer Shell to adjust to changing seasons.

MEASUREMENT GUIDE

HOW TO MEASURE

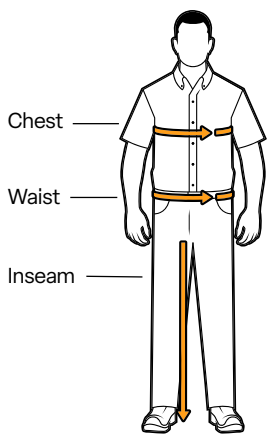

Chest: Measure 1" below armpit with tape measure level and snug against your body.

Waist *(Men)*: Measure where you wear your pants. (This is also the pant size that you buy.)

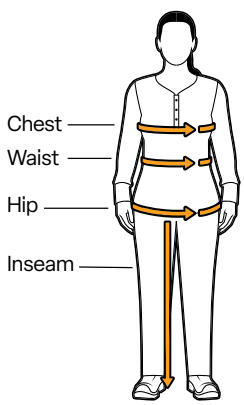

Waist *(Women)*: Measure at natural waist, level with belly button. Hold tape measure level and snug against your body.

Hip: Measure at the fullest part of hips with tape measure level and snug against your body.

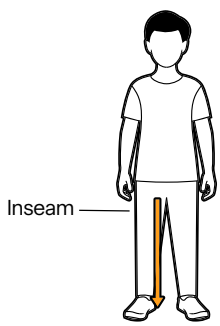

Inseam: Measure with tape measure held against crotch and extend straight down to the floor.
