PRO FUSION

PRO-FUSION® uniforms are manufactured through a process called sublimation in which all colors and decoration are permanently fused into the fabric using heat and the highest quality dyes. PRO-FUSION® is lighter and more comfortable than traditional tackle twill uniforms.

PRO-FUSION® PRICING

- More creativity is allowed in the design process and includes the use of patterns such as camo, watermarks and vintage flannel
- Additional uniform styles are available
- Decoration in six jersey locations is included in the base price

STOCK

Stock uniforms are an affordable option which are decorated using high-definition screen transfers. Occasionally, film transfers or embroidery are utilized.

- Color choices are dependent on in-stock options
- Each decoration location is charged individually

DECORATED STOCK PRICING

All decorated stock jerseys and pants are priced individually based on the style and decoration. Refer to options section, page 87.
