OUTFIT YOUR ENTIRE TEAM

FOREVEREVER SWIMSUIT

FOREVEREVER LASTING

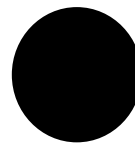

With Foreverever fabric technology, you can wear your swimwear - all day, everyday. Chlorine, salt water and perspiration won't break down Foreverever fabric like they do with other swimsuits. Fun fact: even our thread is chlorine resistant!

FOREVEREVER

Foreverever's controlled stretch our elastic is of the highest grade - not crunchy over time. Put your swimwear to the test with your workout or daring adventure with us. Or sag.

FIT FABRIC TECHNOLOGY

FIT STABILITY

keeps your fit consistent. Even
de so it won't stretch out or get
nsuit through your most intense
hout fear of it ripping, thinning
ging.

FOREVEREVER COLOR

Foreverever swimsuit fabric is fade resistant with UV protection.
That means the colors and patterns you're stoked on will stay as
vibrant as they were the day you bought them.

Full Coverage

COLORS

The Anique water polo suit features controlled stretch in the arms and neck areas to minimize grabbing and has full coverage to eliminate climbing out of the pool wedgies. The leg openings are strategically placed at the hip for superior treading and leg movement. The high-quality YKK zipper is covered at the back of the neck for reduced chaffing and allows for easier suit zipping plus a reduced chance of breakage. We have thoughtfully placed the straps and openings to minimize chafing.

Features medium/full coverage, tagless care instructions and a privacy lining to keep even the lighter-colored suits from revealing too much.
